The expression Matriculation Certificate in this part of the instruction must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission in original with a copy thereof, together with the application.

Sometimes the Matriculation or equivalent Certificate does not show the date of birth, or only shows the age by completed years or completed years and months. In such cases a candidate must send, in addition to the Matriculation or equivalent certificate, an original certificate, together with a copy thereof, from the Headmaster/Principal, of the institution from where he passed the Matriculation or equivalent examination, showing the date of his birth or his exact age as recorded in the Admission Register of the Institution.

The signatory of the certificate should give his designation in full.

NOTE 1—Candidates who have not attended any educational institution for at least one academic year within the three years of the submission of their application may submit a certificate of character in original with a copy thereof from a gazetted officer in service.

NOTE 2—Only one certificate of character is required.

(iv) A Certificate of Educational Qualification—A candidate must submit a certificate or diploma in original with a copy thereof, showing that he has one of the qualifications prescribed in the Rules. The certificate submitted must be one issued by the authority (i.e. University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted the candidate must explain its absence, and submit such other evidence in original as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

Note.—Candidates who have appeared at an examination the passing of which would render them eligible to appear at this examination may apply for admission to this examination. Candidates who intend to appear at such a qualifying examination may also apply provided the qualifying examination is completed before the commencement of this examination. Such candidates will be admitted to the examination if otherwise eligible, but the admission would be deemed to be provisional and subject to cancellation if the candidates do not produce proof of having passed the examination, as soon as possible, and in any case not later than two months after the commencement of this examination.

N.B.—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied by any one of the documents mentioned under 4(ii), 4(iii), 4(iv) and 4(v) above without a reasonable explanation for its absence having been given, the application is liable to be rejected and no appeal against its rejection will be entertained. Any documents not submitted with the application but explanation for the absence of which has been given, should be sent soon after the submission of the application, and in any case they must reach the Commission's office (except as provided for in Note under (iv) above) within one month after the last date for receipt of applications. Otherwise the application is liable to be rejected.

Candidates are warned that they should in no case correct or alter or otherwise tamper with any entry in the documents submitted by them nor should they submit a tampered document. If there is any inaccuracy or any discrepancy between two or more such documents an explanation regarding the discrepancy may be submitted separately.
